

## Announcement

# Congress Postponed

### Dear Colleagues;

Due to the postponement requests and New Coronavirus (COVID-19) epidemic, "**17th International Congress of the World Apheresis Association**" planned to be held on 16-19 April 2020 **has been postponed to 17-20 October 2020** with the decision of the scientific board.

There will be no changes in the congress fee. If you have already registered, it is valid for the new dates. If you have not, you may register for the conference by the date of July 27, 2020.

You may find detailed information in our website <http://waa2020.org/>

We wish recovery to the people affected by the virus. We will be glad to see you in İstanbul in October.

Thank you again for your understanding, support and interest in our congress.

WAA 2020 Organizing Committee

Kind regards
